- **From St-François:** Go to Le Moule centre until the church (main piazza) of Le Moule. Drive past the church and take the third on the left before the 'Pharmacie'. Then take the second on the left again (you are coming back in the opposite direction): you are on Hugo street! Drive straight until you see the tree on the left (it is an artocarpe or fruit a pain). Park when you can or drive past the building of L'Artocarpe just after the tree and park on the piazza.
- **From Pointe-à-Pître / Morne-à-L'Eau:** When you arrive in Le Moule, drive all the way to the end of the boulevard by the seaside. At the round about, follow the direction of St-François until you come to the cemetery on the right. At the cross, take the left after the bakery. Then the second on the right: you can park on Hugo Street or drive past the building of L'Artocarpe and park on the piazza a little further.
